

CASE STUDY

INTERIOR FIT OUT FOR 17 LUXURY APARTMENTS

Sutton

ELEGANT & LUXURIOUS LIVING IN SUTTON APARTMENTS

South London's town of Sutton combines elegant urban architecture from its 18th century heyday, with the grandeur of the North Downs. A prime location for families, city workers, excellent shopping, leisure facilities, open parkland and it's easily accessible town centre. Residential property here commands high quality and premium to be attractive and viable.

HIGH QUALITY DELIVERED

STANLIL Contractors Ltd undertook the premium internal and external fit out works for all 17 executive apartments within the Sutton development having been appointed primary contractor. Combining CATEGORY, A & B requirements throughout, plus the external façade of fine coloured render finish and contemporary window detail. STANLIL trades consistently high standards, ensured commercial success for this premium quality development.

THE FINISHING TOUCHES

Refinement of finish, close attention to detail and only accepting the very best practices from all our trades, StanLil delivered the highest quality of craftsmanship throughout. Our reputation for positive and professional conduct ensured StanLil was well placed to meet our client's high expectations. Getting the core competencies right first time such as structural works, general construction, fit out, M&E, external finishes, decorations etc is the key always delivering the very best of projects.
